About The Sybarite

Founded in 2014 as a two-fold platform serving globally-minded high-net-worth-individuals with both content and experiences, The Sybarite community has grown in ways we'd have never imagined. With this growth and success, in spite of challenging global times, our members have asked for more, and so we strive to deliver.

The Print Edition

To further connect with our growing members community, the team behind The Sybarite's success are creating a magazine with content unique to the print edition. Serving as a travel companion or coffee table collectible to our audience, the content informs and stimulates, both visually and intellectually.
